Portfolio Task Guideline for Students

Please read the following guidelines in detail to maintain the portfolio task for *English Writing Skills and Communication* course.

1. Maintain a clip-file or folder to compile your portfolio tasks.
2. Write your name, ID number, Section properly on top of the folder.
3. Put the submission date against each task.
4. Attach the check list (given below) on the very top of all the tasks, fill it regularly, and get it signed by the teacher after each submission.
5. The teacher will sign in the appropriate column: done, not done, late or incomplete
6. The completed task should be arranged date wise; that is, the latest one should be on top.
7. The papers with completed task should be punched and attached with the file properly. No loose papers will be appreciated.
8. The portfolio task will be submitted to the teacher for assessment and it will carry marks to contribute to the term exam results.
9. Irregularity in task completion and submission will earn you minus points.
10. Copying from any classmates' completed tasks or from any other sources will deem it disqualified for assessment.
